This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
1 - All pupils to receive 2 hours of curriculum PE weekly delivered by a qualified teacher or sports coach.	1 - Pupil voice/questionnaire shows that children enjoy PE in school. Children like the difference between REAL PE and a sport specific lesson.	REAL PE lessons taught weekly and Sports lessons delivered by a sports coach.
2 - Trained Sports Crew to lead active breaks	2 - Sports Crew are trained by Sports Coach and attend a Sports Crew day led by NSport. Children learn playground games to share at break and lunchtimes.	8 Sports crew members - Trained by Young Leaders (Possibly SND) Lead playground games twice weekly. Need more training for future groups.
3 - Inter-house competitions and activities at the end of each term. (UKS2)	3- These focus on a value rather than the strongest team/most able sports people. Children enjoy competing in different ways e.g. most passionate, learning respect and honesty.	Currently just for UKS2 - need to provide the opportunity for all classes and houses to compete at the end of each term.
4 - Increase the profile of sport/PE and physical activity across the school. (7 external events).	4 - More parents and children are asking to take part in sports competitions and after school sports clubs.	Entered the Forrester Cluster - 3 Schools in the cluster currently. Moving forward for next year: Looking to join SND Cluster and attend events at Sponne and Campion, and then Football and Tag Rugby in Daventry)
5 - Enter more sporting events at various levels. (7 performance events)	5- More children are participating in competitive sport.	Enter more development and festivals.
6 - Offer additional extra curricular clubs. (Hotshots, Freestyle Soccer)	6 - Morning clubs are being offered with a greater take up.	Offer at least 2 more extra curricular sports clubs.
